Undurba Anzac Service 2015: Commemorating ANZAC Spirit

On 25 April, 101 years ago, thousands of brave young men went ashore on a foreign beach in a far and distant land. Soldiers from Australian and New Zealand Army Corps (ANZAC) faced a formidable task – to seize the Gallipoli Peninsula and suppress Ottoman defences. The Anzacs went ashore under the cover of darkness, but as morning dawned, they faced an entrenched enemy and rugged unforgiving terrain. Heavy casualties were suffered on both sides and a stalemate developed. It dragged on for 8 months and the soldiers endured extraordinary hardships. The Anzac’s courage, commitment, loyalty and mateship has left a powerful and lasting legacy and became part of our nation’s identity. Those who served our country in war have come from all corners of our nation, ordinary men and women from country towns, farms, suburbs and cities. By the end of the war 60 000 Australians had been killed and 156 000 wounded, gassed or taken prisoner. Among those to answer the call to serve our country in the first world war were 1300 Indigenous Australians and 3000 women as nurses in military services abroad.

This Friday (22 April) at 9:15am, we will hold an Anzac day service to remember and commemorate more than a century of service and sacrifice by those Australian men and women who have served and continue to serve in defence of our values and freedoms. It will include famous traditions such as The Last Post (traditionally played to signify the end of the day, and now as a tribute to the dead) and the Rouse (a bugle call to duty played alongside The Last Post at remembrance services). We will be also having a minute's silence as a time for reflection and as a sign of respect. This is a very special ANZAC Service as we will dedicate our newly bedded memorial rock which we have been able to acquire through kind donations from community groups and businesses.

Please feel free to join us for our school’s ceremony of remembrance on Friday. Please speak with your children about the solemnness of the occasion and reinforce that at a ceremony such as this, high levels of respectful behaviour are expected. This includes no clapping or audience members speaking during the service.

Smart Choices, the Healthy Food and Drink Supply Strategy for Queensland Schools

The health and well-being of our students is of paramount importance. Our government and education department also take this very seriously. Changes have been made to the Healthy Food and Drink Supply policy for Queensland schools. These changes, which generally relate to drinks, crisps and sweet baked products, are fully outlined in the revised Smart Choices Ready Reckoner and more closely align The Strategy with the current Australian Dietary Guidelines and National Healthy Schools Canteen Guidelines and ensure that foods and drinks available to students at school are healthy nutritional choices. Originally these changes were to take effect from Term 2.

Based on feedback from schools, P&Cs and other stakeholders it is understood that some schools may need longer than others to become familiar with the changes. For this reason, the timeframe from when the changes will come into effect has been extended from the beginning of Term 2 to now, the beginning of 2017. Our P&C and amazing tuckshop team decided to act as soon as possible to align their offerings to the new healthier regulations. You will have noticed changes to the tuckshop menu. Further changes may be necessary to begin...
2017. I am very appreciative of the work that has gone into creating a tuckshop menu for our school community which is both tasty, healthy and compliant with these new regulations. I have particularly enjoyed my ‘home-made’ chicken salads and especially LOVE the fact I can quickly and conveniently order my lunch from my computer or phone via the online ordering site (https://www.ouronlinecanteen.com.au).

Indigenous Art Project

We are very fortunate to have had Uncle Lloyd Hornsby working with our year 4 students to produce some amazing indigenous art. Please come along to our Indigenous Art Gallery and revealing of our new Indigenous Mural on Tuesday 19 April (tonight). As you can see below, the quality is fantastic and I would proudly hang this art on the walls of my home! Thank you to Marilyn Carson for coordinating this project.

Newcombe Fun

It was great to see students and teachers out on the oval having fun together in the Teachers V Students Newcombe game. Thanks for great sportsmanship and to teachers who organised the event.

Have a fantastic week,

Kylie Smith
Emailing Report Cards

This year we will be emailing report cards in the last week of each semester for the first time at Undurba State School.

The example included shows what the email will look like when we send the report card to you.

Please ensure that you have given the office staff your current email address.

Please add OneSchool.application@dete.qld.gov.au to your list of safe senders to ensure report card emails aren’t sent to the Junk folder.

Emailed report cards will only have the Principal’s signature on them. You will notice on the emailed report cards that the teacher’s signature field is blank. There is no facility to upload the teacher’s signature into One School at this time.

Please let members of the office staff and/or your class teachers know if you don’t have an email address and need a printed report card.

Also if you have more than one email address for your child/ren’s report cards please give the office staff and or class teacher all required email addresses.

School Anzac Memorial Service

Undurba State School will be holding a commemorative service for the Anniversary of Anzac Day, on Friday 22nd April, 2016.
The ceremony is to be held in the Memorial garden near the flag pole, beginning at 9:30 am. We shall also incorporate the dedication of the Memorial Stone and Plaques on this occasion.

We would like to invite any Undurba Family members and relatives to attend if they wish to do so. Any current or past Defence Force Family members are invited to be guests for the ceremony - please advise the office by Wednesday 20th April so that seating may be allocated.

We are most appreciative of the support of the community in obtaining the Memorial Rock. This was facilitated by Local Councillor David Dwyer and the kind and generous staff of Boral Quarries - particularly Elke Stapf.

The Greenstone is proudly sponsored by the Boral Petrie Quarry.

History/Geology: The Boral Petrie Quarry is located within the Rocksberg Greenstone Belt, which is a generally northwest-southeast trending belt dipping at approximately 50 degrees to the northeast. The Rocksberg Greenstone is 330-400 million years old (late Devonian to Early Carboniferous in age). The greenstone formed as a series of basaltic units, which have since been regionally metamorphosed. Slightly weathered to fresh greenstone produces strong, durable products suitable for use as concrete and asphalt aggregate, and as road base.

A due date is always recorded on invoices. Due dates are 1 week prior to the excursion or event. This allows for all payments made directly into our bank account to clear. If you have any concerns about paying an invoice by the due date please contact the Business Services Manager to make alternative arrangements.

Payments

Please ensure all payments have the name of the student, class and what you're paying for, as we have had a couple of cash payments that have no details on them.

Bank Entries – please put student name and class, not the parent’s name.

BPoint - Parent Payments

Following the implementation of BPoint, many parents are now making their payments via BPoint. When parents make these payments via the BPoint web site they need to ensure that they enter their customer reference number, invoice number and amount to pay. If this is not done correctly payments will be directed to a suspense account. In many cases the parents are correctly entering their details, which causes an automated receipting process. Please ensure that you complete the section on receipt. This is processed through BPoint not the school.

Payment Box

No need to wait in a queue - you can place payment envelope in sealed box and receipt will be sent home with your child. Ensure student name, class and reason for payment are clearly marked on the sealed envelope.

Payment window is open from 8.30am to 11am to process card transactions. Minimum card transaction is $10.00

Student Late Arrivals / Early Departures

If your child arrives after 9am they need to get a late slip from the office. Similarly, if you need to collect your child prior to 3pm, you will need to obtain an early departure slip from the office before you collect your child. This is an important
process and indicates to the class teacher that the person collecting a child is authorised. Thank you for your assistance in following this protocol.

Music News

The Undurba State School Drum Line will also be performing this year at both at the school ANZAC Service and at the Annual ANZAC Day March at Kallangur. The marching drums that will be used for these performances were funded by the school and P&C and have been in the pipeline for nearly 10 months. These drums were made in Germany by Optimum Percussion and are the world’s lightest marching drums. The drums that we have are valued at over $12 000. We are so very lucky to have them.

Reminder about the KALLANGUR MARCH for STUDENTS IN THE DRUM LINE – Please make sure you are at Woolworths Kallangur Carpark by 7:15am on Monday the 25th April. YOU will be leading the Undurba students in the march.

Positive Behaviour For Learning (PBL) News

As a PBL school, Undurba teaches students the behaviours that are expected at school. By using this approach, we encourage all students to understand how to behave at school and therefore be successful learners.

This term, our rule focus is I care for others. Students will be participating in lessons which discuss the ways that we care for others at Undurba. The PBL committee have used behaviour data from first term which showed that there were some incidents in the toilets where students were not demonstrating appropriate behaviour. So this week the focus lesson is I respect others right to privacy and use the toilets safely.

Respecting other people’s right to privacy in the toilets means:

- Being respectful of each other and ourselves.
- Caring about the needs of other people, eg. having access to clean toilets and privacy
- Being polite – waiting your turn, being quiet and speaking nicely
- Being considerate – not looking under the doors
- Using the toilets safely means:
  - Following class procedures for going to the toilet eg using lanyards, take a friend
  - Being ORGANISED and going during breaks or before/after school
  - Using toilets for their intended use (not for playing in or around)

Parents are telling us how happy they are and how easy the system is to use. Paypal is a great way to handle payments if you are unsure about using your credit card online. A small fee applies for the use of Paypal and Credit Cards. Direct Debit is also available, you will need to wait for your funds to clear before ordering. There is no fee charged for direct debit.

Parents are telling us it is great not having to worry that their children have forgotten to put their tuckshop in or having to line up in the morning to write out a bag.

We are aiming to have the majority of the school online for 2016 but understand that not all families will be able to process orders online. We will still take bags handed in over the counter 2016.

To order online or to become a tuckshop volunteer – www.ouronlinecanteen.com.au if you have any questions please contact Debbie on opsmanager@undurbapandc.com or pop into see the ladies in the tuckshop.
