Undurba State School is a vibrant learning community which is committed to empowering every learner to reach their potential and become successful citizens. We aim to achieve this by providing curriculum programs that are intellectually challenging within a supportive school environment. Our educators are dedicated, highly trained professionals who are committed to achieving the best possible results for each and every student. Undurba's school curriculum framework is based on the latest teaching and learning research to ensure that our staff are skilled in the most effective teaching strategies that engage all learners. As one of Queensland's first Prep – Year 6 primary schools, we have developed strong partnerships with our neighbouring early childhood education centres, primary schools, and high school to ensure a seamless transition for our students into Prep and beyond our school into the Junior Secondary phase of learning. At Undurba State School, we highly value parent - school partnerships to ensure each child reaches their potential. Parents are also encouraged to become actively involved through our Parents and Citizens Association, classroom volunteer programs and school events. At Undurba State School, every child in every classroom is learning and growing every day; together we create a rich and connected learning community where local children can thrive and "Aim for the Best!".

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

School disciplinary absences

Table 6: Count of school disciplinary absences at this school

Type of school disciplinary absence	2018	2019	2020
Short Suspension	61	45	22
Long Suspension	0	0	0
Exclusion	0	0	0
Total	61	45	22

Notes

1. School disciplinary absence (SDA) data is a total of short suspensions (1–10 days), long suspensions (11–20 days), exclusions and cancellations.
2. The number of SDAs is not the number of students who received an SDA as one student may be suspended several times in a school year. Each time a student is suspended it is recorded as an additional SDA. The data does not reflect the outcomes of appeal decisions.
3. 2020 data was impacted by the COVID-19 health emergency. There were significantly fewer SDAs during the home-based learning period (the first five weeks of Term 2) compared to previous years.

To be eligible for registration, a person must satisfy the Queensland College of Teachers (QCT) that they meet requirements regarding qualification and experience, or have otherwise met the requirements of the *Australian Professional Standards for Teachers* (APST). A person must also satisfy the QCT that they are suitable to teach and meet English language proficiency requirements.
